Definitions

The term “immediate family” is defined as:

Family

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee’s household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term “family emergency” shall be limited to disasters and life-threatening situations involving the employee or a member of the employee’s immediate family.

Leave Day

A “leave day” for purposes of earning, use, or recording of leave shall mean the number of hours per day equivalent to the employee’s usual assignment, whether full-time or part-time.

Catastrophic Illness or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee’s immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph.

Availability

The District shall make state personal leave and local leave for the current year available for use at the beginning of the school year.

Earning Local Leave

An employee shall not earn any local leave when he or she is in unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

Deductions

and available paid leave shall result in deductions from the employee's pay.

Leave Proration

*Employed For
Less Than Full
Year*

If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave and local leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for:

1. State personal leave the employee used beyond his or her pro rata entitlement for the school year; and
2. Local leave the employee used but had not earned as of the date of separation.

*Employed For
Full Year*

If an employee uses more local leave than he or she earned and remains employed with the District through his or her last duty day, the District shall deduct the cost of the excess leave days from the employee's pay in accordance with administrative regulations.

Recording

Leave shall be recorded as follows:

1. Leave shall be recorded in half-day increments for all employees.
2. If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.

Order of Use

Earned compensatory time shall be used before any available paid state and local leave. [See DEAB]

Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

1. Local leave.
2. State sick leave accumulated before the 1995–96 school year.
3. State personal leave.

Use of extended sick leave or sick leave pool days shall be permitted only after all available state and local leave has been exhausted.

**Concurrent Use of
Leave**

When an absent employee is eligible for FMLA leave, the District shall designate the absence as FMLA leave.

An employee receiving workers' compensation income benefits may be eligible for paid or unpaid leave. An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than three consecutive work-days because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent;
3. The employee requests FMLA leave for the employee's serious health condition or that of a spouse, parent, or child; or
4. The employee requests FMLA leave for military caregiver purposes.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

State Personal Leave

The Board requires employees to differentiate the manner in which state personal leave is used:

Non-Discretionary
Use

1. Non-discretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Non-discretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

Discretionary Use

2. Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

Limitations

Leave

The employee shall submit a written request for discretionary use of state personal leave to the immediate supervisor or designee in advance in accordance with administrative regulations. In deciding whether to approve or deny state personal

leave, the supervisor or designee shall not seek or consider the reasons for which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee's absence on the educational program or District operations, as well as the availability of substitutes.

Duration of
Leave

Discretionary use of state personal leave shall not exceed three consecutive workdays.

Local Leave

All permanent employees shall earn three paid local leave days per school year in accordance with administrative regulations.

Local leave shall accumulate to a maximum of 20 leave days for employees who have fewer than 15 consecutive years of service with the District. For employees with 15 consecutive years of service or more with the District, local leave shall accumulate to a maximum of 30 leave days.

Local leave shall be used according to the terms and conditions of state sick leave accumulated before the 1995–96 school year, except that an employee may donate local leave to a sick leave pool [see DEC(LEGAL)].

An employee may also use local leave for absences related to the birth or placement of a child when leave is taken within the first year after the child's birth, adoption, or foster placement.

Bereavement Leave

An employee may use up to five consecutive days of any available accrued leave following the death of an immediate family member.

Extended Sick Leave

After all available state and local leave days have been exhausted, a full-time employee shall be granted extended sick leave days in accordance with the following schedule:

1. First year of employment — none.
2. Second through fourth year of employment — 15 extended sick leave days each school year.
3. Fifth and succeeding years — 30 extended sick leave days each school year.

Extended sick leave shall be used for the employee's catastrophic illness or injury, including pregnancy-related illness or injury, or for absences related to the catastrophic illness or injury of a member of the employee's immediate family.

To be eligible for extended sick leave, the employee shall have been absent five workdays without pay.

A written request for extended sick leave must be accompanied by medical certification of the illness or injury.

Sick Leave Pool

An employee who has exhausted all paid leave and who suffers from a catastrophic illness or injury or is absent due to the catastrophic illness or injury of a member of the employee's immediate family may request the establishment of a sick leave pool, to which District employees may donate only local leave for use by the eligible employee.

If the employee is unable to submit the request, a member of the employee's family or the employee's supervisor may submit the request to establish a sick leave pool.

The pool shall cease to exist when the employee no longer needs leave for the purpose requested, uses the maximum number of days allowed under a pool, or exhausts all leave days donated to the sick leave pool.

The Superintendent or designee shall develop regulations for the implementation of the sick leave pool that address the following:

1. Procedures to request the establishment of a sick leave pool;
2. The maximum number of days an employee may donate to a sick leave pool;
3. The maximum number of days per school year an eligible employee may receive from a sick leave pool; and
4. The return of unused days to donors.
